## EXPERIENCE

### Front-End Web Developer

[1800Flowers.com](http://1800Flowers.com)

May 2014 – Present

Carle Place, NY

Manage and train the web production team in workflow processes and coding practices. Actively manage and monitor production tickets with Jira, Slack and WorkFront platforms. Code various JavaScript / jQuery dynamic functionality for sections of the site. Conduct and attend periodic status/scrum meetings. Validated site to meet W3C Standards and compliance.

### Front-End Web Developer / Graphic Designer

[NewBox.Fit](http://NewBox.Fit)

Mar. 2019 – Present

New York, NY

Wireframe UI and UX, mock-ups, layouts and prototypes. Build responsive website leveraging the latest front-end technology, including HTML, CSS, Bootstrap, and JavaScript. Delivered visual communication documentations for graphic designs.

### UX / UI Designer, Desktop & Mobile

[ReviewMyRecruiters.com](http://ReviewMyRecruiters.com)

Dec. 2017 – Jun. 2019

New York, NY

Designed and developed UI mock-ups, prototype, menus, tabs and widgets. Gathered and evaluated user requirements, in collaboration with product managers and engineers. Illustrated design ideas using storyboards, process flows and sitemaps. Identified and troubleshooted UX problems (e.g. responsiveness). Validated site to meet W3C Standards and compliance.

### Web / Graphic Designer Intern

[PositivePlayers23.org](http://PositivePlayers23.org)

Aug. 2012 – Jun. 2013

New York, NY

Designed organization's logo and branding images. Developed jQuery to support popup messaging. Coded, developed and maintained organization's website to deliver cutting-edge UI and UX. Created and edited vector images using Adobe Photoshop and Illustrator.

### Front-End Web Developer

[IslandDealsOnline.com](http://IslandDealsOnline.com)

Jan. 2011 – Jun. 2012

New York, NY

Converted Photoshop designs to live website using XHTML, CSS, JavaScript, jQuery, and utilize Bootstrap framework. Performed cross-browser testing in Internet Explorer 6+, Safari, Chrome, and Firefox 3+. Validated site to meet W3C Standards and compliance.

### Web Designer Intern

**New York City Health and Hospital Corp.  
Central Office of Communication & Marketing**

Sep. 2009 – Jan. 2010

New York, NY

Created and updated web pages for the New York Hospital Corporation's central website. Developed and designed new UI and UX, layouts, vector graphics for HHC's central site using HTML, CSS and JavaScript. Performed validation of completed sites.
